The Metaverse webinar takes place on Wednesday December 1, 2021 at 6pm EST featuring David Kim, VP of Business Development and Marketing, wdny.io and NFT Expert, Dave "Black Dave" Curry

New York, NY – Brilliant Minds Collective is proud to announce the next webinar in their Generation WHO? series entitled "**The Metaverse: Educating Money Focused Black & Brown Millennials on NFTs, Gaming, and Web3**". The free webinar features an intimate discussion with David Kim, VP of Business Development. wdny.io and NFT Expert, Dave "Black Dave" Curry on Wednesday December 1, 2021 at 6pm EST.

This webinar will explore opportunities for young adults and millennials to build their brands and profit margins in the Metaverse. Focusing on creatives, musicians, and artists with an emphasis on the Black and Brown demographic, **The Metaverse: Educating Money Focused Black & Brown Millennials on NFTs, Gaming, and Web3** will answer questions like where do you fit in Globally, how to ensure you are not left behind, and how to best leverage your creativity and ingenuity on the Blockchain?

David Kim stated, "Major technological innovations have the ability to create disruptions which level the playing field and open up new economic opportunities for anyone who has the vision and work ethic to find ways to leverage the new economies they create. It's important that we spread the message to everyone and educate them to give them the chance to take advantage of these opportunities."
